Here is the most affordable ski in/ski out condo located at the base of Revelstoke Mountain Resort. This west facing studio condo is a must see. Located on the second floor in building 1, which is a very short walk to the gondola. As an added bonus, you will get priority lift access which will get you to the front of the line! The flexible rental pool allows for revenue return when not owner occupied. Suite is absolutely turn-key, just bring your ski equipment. This is really a great opportunity to own a home just steps from the best skiing in North America. (id:17891)
